Division of Work

For convenience and easy reading this document will represent our names using our initials: Rodrigo Valente - RV; Teresa Gamito - TG

The project was made as a team with both members working on all the tasks but with different weights. The progress of the milestone was done by scheduling tasks through the weeks, mostly divided by:

Presentation Slides:

- Equal weight - slides, structure, cleanup
- TG - sketches
- RV - Image reference

Game Design Document:

- Equal weight - structure, presentation, overview, visual and audio style
- TG - sketches, mechanics, monetization, technical aspects, and grammatical correction
- RV - development and writing of characters and narrative, image reference

Report:

- Made as a team effort
